COLLABORATION FOR A SUSTAINABLE FUTURE

"Moving ahead to achieve Sustainable Development Goals 2030 while spreading fraternity, integrity, harmony and brotherhood across the world."

With immense delight and happiness, We are pleased to inform you that Our Respected Principal Ma'am, Dr. Reeta Hashia has signed a Memorandum of Understanding on the behalf of Brilliants'Convent School with Grosvenor Park Academy, United Kingdom on 26 September 2023 through online mode with an objective to make schooling a better experience for global citizens.

Planting seeds of Knowledge in little hearts

RED DAY

On 7 July 2023, Brilliants' Convent organized a vibrant and exciting event called the "Red Day Celebration." The purpose of this event was to promote awareness about a particular theme related to the color red, as well as to foster school spirit and a sense of community among students, teachers and staff. The entire aura was decorated with items like red rose, red teddy, red car, red apples, red cherries to engage everyone in a fun and educational manner highlighting the significance of the color red in various aspects of life.

The shades of red made our tiny tots feel bright, lively and cheerful. Our tiny tots spoke a few sentences on the red object they brought from home.

Principal ma'am appreciated the efforts of all the children for being a part of it.

It was an interactive session with students providing them with a deep insight about the purpose of such celebrations.

It was a scintillating day with innocent faces gleaming and reflecting brightness, joy, love and happiness.

PLANT SAPLING

With an objective to educate students about the importance of trees in maintaining ecological balance, mitigating climate change, and improving air quality, Brilliants' Convent has organized a plantation drive as part of our ongoing Eco-Week activities for the cause of environmental conservation and sustainable practices. Saplings of various herbal and other plants were planted in and around the school. Our Respected Principal Ma'am, Dr.Reeta Hashia encouraged the students to plant and nurture at least one sapling. She said, "Environment is important for us because we receive everything necessary for life, including pure air, pure water, food and even shelter, from it.It provides an opportunity for students, staff, and the local community to come together and contribute to the greenery of surroundings.

LEMONADE MAKING

Lively Lemonade Making Activity Delights Pre-Schoolers

Our vibrant toddlers recently engaged in a delightful lemonade making activity that left them with smiles as bright as the summer sun. This hands-on experience not only tickled their taste buds but also fostered essential life skills and sensory exploration.

Under the guidance of our nurturing teachers, the young learners of Pre School and Pre Primary enthusiastically took part in every step of the lemonade-making process on 26 July 2023.
From carefully squeezing lemons to adding a touch of sweetness, their little hands were busy and hearts were full of excitement.

The activity served as a fantastic opportunity for the children to explore their senses - feeling the textures of lemons, smelling their zesty aroma, and tasting the tangy-sweet outcome of their efforts. It was heartwarming to witness their faces light up with curiosity and joy.

Beyond the hands-on experience, the activity encouraged teamwork and cooperation as the children worked together, shared responsibilities, and cheered each other. Their sense of accomplishment was palpable as they proudly sipped on their homemade lemonade.

This activity not only brought smiles but also valuable learning moments, reinforcing concepts of fruit, taste, teamwork, and basic kitchen skills. Brilliants'Convent believes in nurturing these young minds through such engaging experiences that contribute to their holistic development.

As we wrapped up this lemony adventure, our little chefs left with more than just a cup of lemonade – they took home a sip of knowledge, a dash of camaraderie, and a sprinkle of joyful memories.

GREEN DAY

Green represents purity, innocence, light, and goodness. It is the colour of perfection. As green is the colour of life renewal, nature and energy which is closely associated with meanings of growth, freshness, harmony, fertility, and environment. Friday, July 28th, students of nursery wing of Brilliants' Convent celebrated Green Colour Day.

The motive of celebrating green day was to make the students aware of how colour makes our world a better place and its significance. Students looked gorgeous and enthusiastic in their astonishing green attires.

Students participated in making the green cactus with paper and leaf printing in the art files. These activities were conducted to develop their fine motor & gross motor skills. Students participated in speaking activity on different green colour objects which develops their communication skills. They enjoyed their activity and performed enthusiastically.

Every Occassion deserves a Celebration

INDEPENDENCE DAY

Highlighting the theme of "Unity in Diversity" under the umbrella of "Ek Bharat Shreshtha Bharat", Brilliants'Convent celebrated Independence Day with great fervor and patriotism, commemorating India's liberation from colonial rule and also mentioned the importance of international collaboration, as demonstrated by the G20 summit.

The event was a testament to the school's commitment to instilling a sense of national pride and understanding among its students.

The celebration began with the hoisting of the national flag by Our Hon'ble Manager Mann Sir, Respected Principal Ma'am Dr. Reeta Hashia and Venerated Jatin Sir and it was all accompanied by the singing of the national anthem. The fluttering flag symbolized the sacrifices made by the freedom fighters who fought tirelessly for the country's freedom.

The stage was adorned with the theme of G-20 summit and tricolor decorations, showcasing the national colours and creating a vibrant atmosphere. Our little munchkins had given a heart throbbing dance performance on Ganesh Vandana. Our young students who dressed in traditional attire, participated enthusiastically in various activities depicting the significance of Independence Day. The cultural program that followed was a captivating display of patriotism and talent. Students of Class I to V performed patriotic songs, dances, and skits showcasing our country's rich history and diverse culture. The best part of the event was that 100% participation by all students of nursery and primary wing in all dance performances. Through these performances, students paid homage to the freedom fighters and conveyed the message of unity and harmony. A balloon releasing ceremony was also organized by the little champs to celebrate the cause of freedom and independence .

The event concluded with Principal Ma'am's motivational speech addressing the students as she emphasized the significance of independence in today's world and urged students to be responsible citizens who contribute positively to society.

Our Hon'ble Mann Sir and Jatin Sir commended the students for their active participation and encouraged them to uphold the ideals that the country's forefathers had fought for.

The Independence Day celebration was a remarkable showcase of patriotism, unity, and cultural diversity. Through various activities and performances, the students were reminded of the value of freedom and the importance of cherishing and preserving it for future generations.

TEEJ

"Teej Tidings- Celebrating Tradition, Unity, and Joy!" BCS celebrated Teej with our little munchkins thereby welcomed the monsoon season with a splash of colours, a bond of hearts, a thread of culture, a festival of Love, Laughter, and Legacy..

RAKSHA BANDHAN

Under the umbrella of Quality Education in Sustainable Development Goal 2030 , Brilliants' Convent celebrated Rakhi Festival with the toddlers of Preschool and Pre Primary on 29 August 2023 with an objective to protect and care for one another.

This aligns with the promotion of peaceful societies and strong institutions that SDG-16 Peace, Justice and Strong Institutions

aims to achieve in collaboration with G-20 by sharing values among nations for global prosperity. The vibrant classrooms were filled with joy and laughter as we celebrated the spirit of love and sibling bond through a special Rakhi celebration activity for our adorable toddlers.

Our little creative minds were provided with colorful threads, beads, and decorative elements. Guided by our caring teachers, the toddlers enthusiastically crafted their own personalized rakhis, brimming with creativity.

Our enthusiastic teachers engaged the toddlers in a captivating story behind this celebration. The stories revolved around the essence of Raksha Bandhan, emphasizing the bond between siblings and the importance of love and care.The most heartwarming moment of the event arrived when the toddlers, beaming with excitement, tied the handmade rakhis they had made onto the wrists of Our Respected Principal Ma'am, Dr. Reeta Hashia and Venerated Jatin Sir. This sweet gesture symbolized the promise of protection and affection, even at their tender age.The Rakhi celebration activity not only brought smiles to the faces of our little ones but also imparted them with values of love, sharing, and the significance of relationships.

JANMASHTAMI

The vibrant festival of Janmashtami was celebrated with great fervor and enthusiasm at brilliants' convent. Students and teachers came together to commemorate the birth of Lord Krishna in a colorful and spiritually enriching manner.

The classrooms of our little munchkins were adorned with beautiful decorations, including vibrant rangoli designs, images of Lord Krishna and traditional artwork. The atmosphere was filled with the essence of the festival. Students and teachers gathered to offer prayers, sing bhajans, and chant mantras in praise of Lord Krishna. The spiritual aura was truly uplifting. Students dressed in traditional attire presented a mesmerizing dance-drama depicting the life and teachings of lord krishna. One of the major highlights of the day was breaking dahi handi. Our tiny tots with the help of Respected Principal Ma'am broke the "dahi handi" (a pot filled with curd and butter) suspended at a height.

Various cultural activities like folk dances, skits, and poetry recitations related to the life of Lord Krishna were performed by students showcasing their talents and creativity which in turn fostered a sense of unity and spiritual awareness among students and staff alike.

A VISIT TO ISKCON TEMPLE

To enhance our students' educational experiences by introducing them to diverse cultural and spiritual aspects while aligning with our commitment to the National Education Policy (NEP) and Sustainable Development Goals (SDGs), The young brilliantians of Pre- School and Pre- Primary visited the Iskcon Temple on 14 September 2023.

The visit provided our students with insights into spirituality and the importance of inner well-being, aligning with the holistic education principles of NEP.Our students had the opportunity to immerse themselves in the rich cultural heritage of the ISKCON Temple. They learned about the traditions, rituals, and values upheld by the temple community.ISKCON Temple's emphasis on values such as compassion, tolerance, and kindness resonated with our educational philosophy, reinforcing the importance of character education.The visit left a profound impact on our students, offering them a broader perspective on life, culture, and spirituality.

The visit was an apt example of learning beyond the classrooms.

OATH TAKING CEREMONY

Oath Taking Ceremony
"Together Towards Progress,
Pledging for a Brighter Tomorrow,
Oath Taking Ceremony at BCS..."

The Oath Taking Ceremony was celebrated on 20 July 202 in the premises which served as a milestone significant event for our newly elected student council symbolizing the beginning of a new chapter in the students' lives. It reinforced the values and principles that the school stands for while inspiring students to be the responsible leaders and citizens. The school head boy and head girl were elected directly by the brilliantians through direct voting in the mostdemocratic way. Ayush Shekhar of class XI was chosen as the head boy and Sameeksha Mishra of Class XI was chosen as the head girl ofBrilliants' Convent. Captains, vice captains and monitors werealso selected under the guidance of the venerated Principal Ma'amto represent the school. All the monitors were honoured with the badges and were motivated by the management to be the best leaders. By publicly pledging the commitment to these ideals,Our student council embraced their roles with a sense of purpose and determination. The ceremony not only celebrated their achievements but also set the stage for a journey of personal growth, leadership development, and academic excellence.

Our Hon'ble Mann Sir, Respected Principal Ma'am wished theNewly elected council and Jatin sir also congratulated them alland wished a great successful session for the school. The eventwas conducted gracefully and everyone enjoyed the experienceof elections.

Experiential Learning for Inquisitive Minds

ECO-CLUB

The Eco Club of the Brilliants' Convent organized a workshop on 12 July 2023 that was conducted by the World Animal Protection,India Group with a theme-"Role of Animals in One Health Approach".

The participants of the seminar were the students of class IX and their respective teachers. It was organised under the mission of paryavaran sanrakshan, Eco club which is being observed from 11 July to 14 July.The resource person actively engaged the students in discussions on the topic of the farm animals and their conditions in the animal farms. The workshop began with an interactive session on wild, domestic and pet animals. Throughout the session all the students were actively involved and understood the concepts well. The workshop ended on a positive note with a lot of knowledge and learning by all. Organising more such workshops in the future would prove beneficial for everyone.

MATHS QUIZ

Highlighting the significance of mathematics in our daily lives and its relevance in shaping future careers, The Maths Department of Brilliants' Convent organized a Maths Quiz on 25 July 2023 bringing together students, teachers and math enthusiasts to promote the importance of mathematics education. The event aimed to foster a positive attitude towards mathematics and acknowledge the hard work and dedication of all participants. Students from respective houses namely Bhagat Singh House, Gandhi House, Nehru House and Tagore House participated in the quiz.

Their enthusiasm was palpable as they eagerly answered challenging math problems. The quiz comprised several rounds, testing their knowledge of various mathematical concepts and problem-solving abilities. There were four rounds in all and each round was subjected to various skills such as reasoning,logical thinking,time management and complicated mathematical problems.The competition was fierce and the participants showcased their impressive skills.All the houses performed with gusto and bagged different positions. Gandhi house bagged the first position, Bhagat Singh House secured second position followed by Tagore House and Nehru House.

An active participation of the audience was also witnessed by everyone when questions were directly asked to them.

Our Hon'ble Mann Sir motivated the students for maximum participation and give their best in every field.

Our Respected Principal Ma'am appreciated the praiseworthy efforts of the students and teachers. She also encouraged everyone to be a part of activities as it plays a crucial role in promoting a positive learning environment and inspiring the next generation of mathematicians and problem solvers.

Overall it was an informative and fun learning experience for all.

BUSINESS QUORA

" Knowledge comes from learning and Wealth from business."

Under the umbrella of NEP 2020 highlighting the Sustainable Development Goal of Quality Education, Brilliants' Convent turned up with an amazing event- Business Quora on 22 August 2023 wherein the students of class XI and XII from the commerce department participated with full zeal and fervour highlighting the importance of business in day-to-day life.

The commerce department welcomed our Hon'ble Mann Sir and Respected Principal Ma'am Dr. Reeta Hashia, all the teachers and students present over there.

The quiz commenced wherein our young global citizens were divided into 3 groups namely Team Ambani, Team Birla and Team Tata. After giving the overview of the quiz, the teacher had instructed the students about the concerned rules and regulations.To make these brilliant minds more inquisitive, the department conducted various interesting rounds.

The Quiz was really interactive & eye- captivating. It helped the students to enhance their IQ level, EQ levels plus logical & analogical Capacity of the learners including audience.

All the students had participated quite well thereby showcasing their best knowledge about business.

The Management had appreciated the praiseworthy efforts of all the students and teachers who made it a success.

Our Hon'ble Mann Sir had given a very strong message of Kindness and humanity to the students by motivating them and giving an example of TATA's who spend at least 60% of their total earnings for the betterment of society.

Sir also emphasized that it's very important to become a good person first in terms of values and etiquettes before taking up any profession as a business.

With this Our Esteemed Mann Sir had instilled moral values among students and guided them to develop qualities of empathy, respect and a habit of giving and donating for the cause of the nation.

By fostering a culture of integrity and ethical behaviour, Sir had motivated our global citizens to perform some deeds of kindness.

Our Respected Principal Ma'am Dr. Reeta Hashia encouraged all the students to come up with their unique capabilities and keep shining in the galaxy of talents.

Turning Travel into Learning

OP JINDAL UNIVERSITY TRIP

Brilliants' Convent conducted an educational trip to OP Jindal University, Sonipat for the students of Class IX to XII. The purpose of this trip was to provide our students with a unique learning experience, exposure to higher education institutions, and a glimpse into university life.

We were warmly welcomed by the university staff, who organized a comprehensive virtual campus tour for the students.

After the campus tour, our students had the opportunity to interact with faculty members from various departments. The professors were enthusiastic and answered our learners' queries about different academic disciplines, courses offered, and research opportunities at the university.

Dr. Upasana Mahanta Dean , admission and outreach Professor had sparked curiosity among our students belonged to the humanity stream about pursuing higher education. She explained the students details about the different career options available to them.

Ms Reshma Vats and Mr.Vikram Singh Tomar, Programme Director, had taken the lead of the counselling session of our students wherein they guided the students belonging to the science and commerce stream while emphasizing on the need to opt for the right choice after Xth.

Overall,The educational trip to OP Jindal University proved to be a highly enriching experience for all the students as it helped the students to prepare a mind map of the programmes of their choice. The exposure to modern facilities and faculty interactions broadened their perspectives and motivated them to excel in their academic pursuits.

This trip had undoubtedly left a lasting impact on our students, guiding them as they embark on their academic and professional journeys.

PEARL ACADEMY

A Day of Exploration and Inspiration at Pearl Academy !!

On 25 August 2023, Our Proud brilliantians from Class X to XII embarked on a journey of discovery to Pearl Academy, Rajouri Garden.

The recent educational tour to Pearl Academy aligned seamlessly with the Skill Education under the principles of National Education Policy (NEP) and the Sustainable Development Goals (SDGs). This experience not only enriched students' understanding of creative arts but also contributed to their holistic development and the broader goals of education and sustainability.

This educational tour aimed to provide them with insights into the world of design, fashion, and creative arts.

Upon arrival, the students were warmly greeted by the staff and faculty of Pearl Academy. They were introduced to the vibrant campus environment and the various facilities that contribute to nurturing creativity and innovation. The visit began with interactive sessions led by accomplished professionals in the fields of design, fashion, and media. These sessions offered students a glimpse into the industry's trends, challenges, and the transformative power of creativity. Our students tried to design a dress also under the able guidance of professionals.

Our students explored the campus facilities, including state-of-the-art design studios, fashion labs, media production spaces, and more. They were able to witness firsthand the dynamic learning environment that Pearl Academy offers its students.

As part of the visit, students were privileged to engage in discussions with industry experts. These interactions provided valuable insights into career opportunities, skill sets required, and the evolving nature of the creative industries.

The visit was a source of inspiration for the students, who were encouraged to pursue their passions and consider the dynamic realm of design and creativity as a potential career path.

Overall, the day spent at Pearl Academy, Rajouri Garden, was a remarkable experience for our students. It broadened their horizons, ignited their creativity, and gave them a taste of the endless possibilities that the world of design and creative arts has to offer. This visit was truly a stepping stone towards fostering a culture of innovation and creativity among our students.
