CELEBRATING EXCELLENCE

50th Rashtriya Bal Vaigyanik Pradarshani 2023

"Transforming possibilities into realities, one algorithm at a time. The language of innovation, spoken by machines, shaping the future we once imagined."

With this innovative thought, One of our alumni, Jatin Garg participated in the 50th Rashtriya Bal Vaigyanik Pradarshani (RBVP) -2023 held in Pune by NCERT & SCERT. The event showcased outstanding projects and innovations by young minds from across the country.

Our Proud Alumni Jatin Garg presented a captivating dummy model on Artificial Intelligence (AI), named "Buddy." The project aimed to demonstrate the applications and potential impact of AI in various fields. "Buddy" served as an illustrative example of how AI could be integrated into daily life and learning.

Our Ex- Student Jatin Garg, was accompanied by a dedicated school teacher, who provided guidance and support throughout the preparation and presentation phases. The journey to Pune not only highlighted the commitment of our alumni but also showcased the collaborative spirit of the school in fostering innovative initiatives.

The exhibition garnered significant attention and appreciation at the RBVP, with receiving recognition for the creativity and relevance of the AI model. The exhibition provided a platform for networking and learning from other young innovators.

Festivities: Lets Enjoy

LOHRI

The vibrant spirit of Lohri engulfed BCS as teachers came together to celebrate the harvest festival with immense zeal and enthusiasm. The event showcased a blend of tradition, camaraderie, and festivity.

The school premises radiated festive vibes with colorful decorations that adorned every corner. The ambiance was a visual delight, setting the perfect stage for the Lohri festivities.

Our teachers gathered around a beautifully lit bonfire and offered prayers and expressed gratitude for the bountiful harvest, fostering a sense of unity and gratitude among the educators. The warmth of the flames symbolized the collective spirit of the teaching community.

The vibrant colors and ethnic wear added a touch of authenticity to the celebration, showcasing the diversity within the teaching community.

Teachers shared laughter and stories while relishing the mouthwatering treats. The feast became a platform for building stronger bonds and fostering a sense of community among the educators.

The Lohri celebration at BCS was a resounding success, resonating with the joy of harvest and community. It served as a reminder that festivals are not just celebrations but opportunities to foster unity and shared joy within the school community.

"In the Heart of Tradition,Brilliants' Convent welcomes Divine Grace."

REPUBLIC DAY

The Republic Day celebrations kindle the feeling of patriotism and brotherhood which fills our hearts with national pride. The students of the Brilliants' Convent celebrated 75th Republic Day with solemnity and grandeur. The young students paid their tribute to the martyrs in the form of patriotic and tributary songs, speeches etc, which reverberated in the hearts of everyone with the sacrifice and hard work they have put in to build the nation which was followed by unfurling of national flag by Management of the school.

Dr Reeta Hashia, our respected Principal, in her invigorating speech reminded the students about the sacrifices of our freedom fighters. She also added and emphasized the necessity to bring in change and to keep pace with the world for a better tomorrow.

VASANT PANCHMI

May the vibrant colors of spring fill everyone's life with joy and prosperity on the auspicious occasion of Vasant Panchami

HOLI

The vibrant festival of Holi was celebrated with great enthusiasm and joy by the Blooming buds of Brilliants' Convent on March 22,2024.

The celebrations began with a brief assembly where the significance of Holi was explained to the students through stories and songs.

Students joyfully smeared each other with vibrant colors, spreading happiness and laughter all around. Respected Jatin Sir and Principal ma'am also joined along with teachers in the revelry, creating a lively and inclusive atmosphere.

The Holi celebration was a resounding success, leaving lasting memories of joy and togetherness among the primary students. It not only provided a fun-filled day but also imparted valuable cultural and moral lessons.

Stepping stones towards zenith

STUDENTS' WORK AT A GLIMPSE

Empowering Youth Voices: Global Recognition for Student-Led SDG Initiatives

Amidst the global call for action on climate change and environmental sustainability, the voices of youth – that is our school students have emerged as catalysts for meaningful change. At a global platform they showcased their commitment to the Sustainable Development Goals (SDGs) through vibrant posters highlighting their initiatives. This event not only celebrated their dedication but also sparked a chorus of admiration from counterparts across the globe particularly focusing on climate action and environmental protection. These posters not only depicted their initiatives but also conveyed powerful messages advocating for sustainable practices. The commendations and compliments received from representatives of other countries underscored the significance and impact of the students contributions on a global scale. Such recognition serves as both validation and inspiration, motivating students to continue their dedicated efforts towards creating a more sustainable world. The exchange of positive feedback among nations reinforces the collaborative spirit necessary for addressing shared environmental challenges and advancing progress towards the SDGs.

PARIKSHA PE CHARCHA

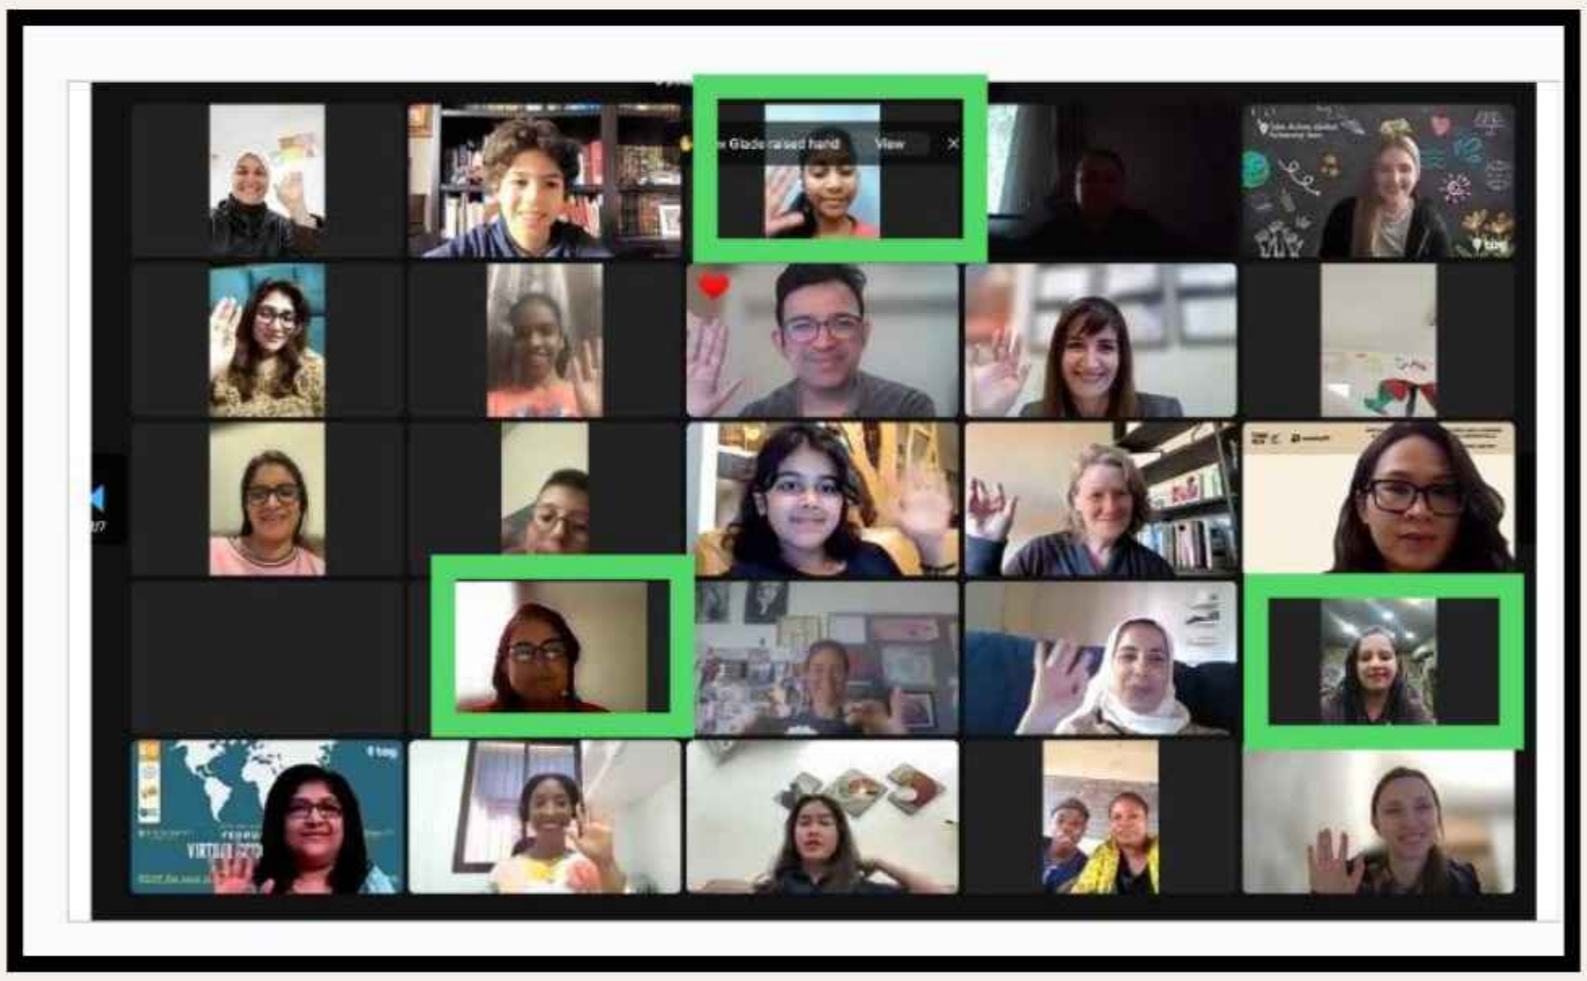

A live session by honourable Prime Minister Shri Narendra Modi Ji.....
An initiative taken by CBSE was witnessed by the students of our school on 29 January 2024 which really helped them to resolve their queries and doubts related to examination fear, time management skills and the ways to cope up in studies.
The session had also encouraged our brilliantians to overcome real life challenges as Our PM sir had provided various tips and advice to the students for achieving goals successfully. Students had reaped great benefits. The session was very informative for the students.

VIRTUAL SCHOOL ASSEMBLY

"Empowering Global Perspectives: The Goals Project Classroom Unites Students Worldwide"

Our students participated in The Goals Project Classroom and brought together students from various classes across more than 20 countries in a truly global effort. Through virtual engagement, students had the opportunity to explore the Sustainable Development Goals (SDGs) and their connections to climate conservation efforts, as well as initiatives relevant to their own countries. The virtual assembly and meeting highlighted a deep collaboration and commitment to positive change, underscored by students' presentations through posters and visual displays. Presentations covered a range of topics including renewable energy, waste management, biodiversity conservation, and sustainable agriculture, promoting cross-cultural understanding and fostering a sense of global responsibility.

BLESSING CEREMONY 2024

Farewell to our Batch of 2023-24.
Wishing our proud students to have a shining future ahead. May you be victorious in all spheres of your life..

PANI PURI MAKING ACTIVITY

Cooking is a crucial life skill that should be taught to children at a young age. Including your child in the food preparation process can be enjoyable for both of you.

The little cuisiniers of pre school and pre primary enriched their culinary creativity by preparing 'Golgappa Puri' under 'Cooking Without Fire month' on 5th February, 2024. This activity took place under the guidance of respective teachers of pre school and pre primary. The little ones were excited to bring chopped , tomato, onion , potato, corns and golgappas for the activity. They had fun in preparing that tempting and all time favourite snack and eating them too.

This activitiy encouraged children to arouse their creativity, thinking and problem solving skills.

BHELPURI MAKING ACTIVITY

Brilliants' Convent conducted Bhelpuri Making Activity for Pre School and Pre Primary students. The activity helped them to learn an easy and healthy food recipe which they can make even at home. Kids enjoyed making and eating yummy tangy tongue tickling bhelpuri. Children learnt the names of ingredients used which added to their vocabulary. The aim of this activity was to develop healthy eating habits and avoid eating street food. The kids participated in the activity with interest and enthusiasm and relished the Tangy Bhelpuri which was prepared with their teachers' help.

Ecstatic Excursion

TRIP TO RANGMANCH

Brilliants' Convent organized an invigorating trip to Rangmanch Farms, Gurugram, on February 9, 2024, for students from Classes VI to IX. The day was a perfect blend of adventure, recreation, and cultural immersion, aimed at fostering holistic development and well-being among students.

Students engaged in a plethora of activities, from thrilling ziplining and rock climbing to strategic rope courses, promoting physical fitness and teamwork. Recreational pursuits like archery, pottery making, and various sports not only provided enjoyment but also encouraged healthy competition and skill development among students.

Moreover, the excursion emphasized sustainable practices and environmental awareness, aligning with SDG 11: Sustainable Cities and Communities. Through activities that immersed students in nature and promoted appreciation for the environment, they gained a deeper understanding of the importance of preserving natural resources and fostering sustainable lifestyles.

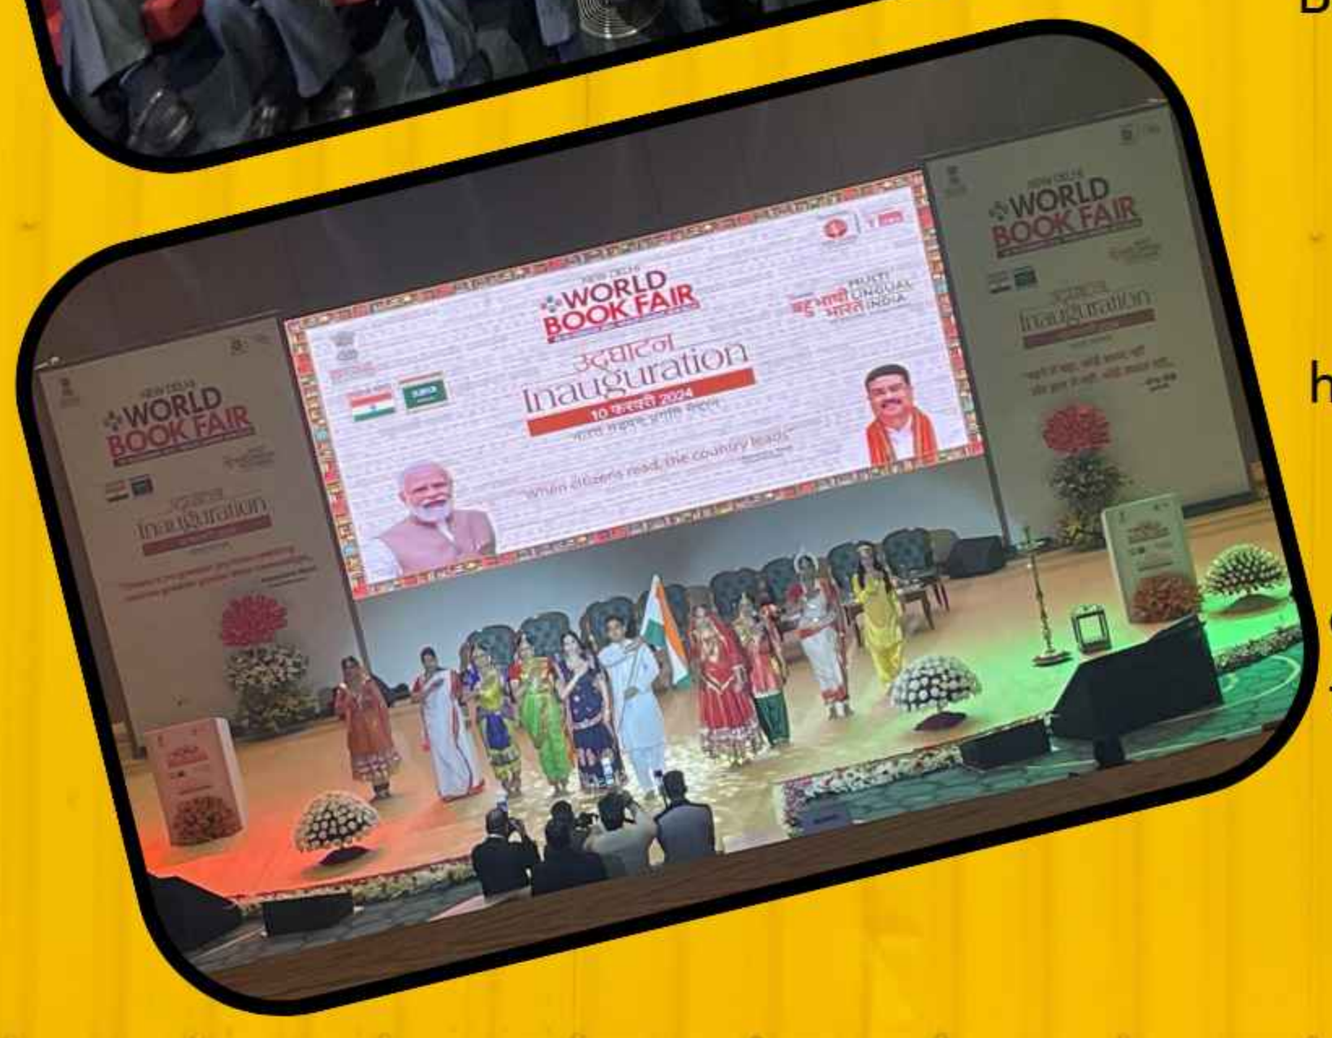

The cultural dimension of the trip, including activities like Katputli Dance and pottery classes, fostered creativity, cultural appreciation, and social cohesion among students, contributing to SDG 4: Quality Education and SDG 17: Partnerships for the Goals.

As students returned rejuvenated and enriched from their experience, the excursion underscored the school's commitment to holistic education and its role in empowering students to become responsible global citizens. Through initiatives like these, Brilliants' Convent continues to make significant strides towards achieving the Sustainable Development Goals while nurturing the potential of its students.

EXPEDITION TO WORLD BOOK FAIR

Brilliant's Convent orchestrated a grand expedition to the World Book Fair 2024, held amidst the prestigious halls of Pragati Maidan on February 10, 2024, in strict adherence to the illustrious guidelines of the National Education Policy (NEP). An entourage of 36 erudite students from classes VI-IX, accompanied by a retinue of 11 esteemed educators, graced the occasion with their scholarly presence. Within the labyrinthine corridors of the fair, our inquisitive scholars delved into a mesmerizing array of exhibits spanning the vast spectrum of literary realms, from the enchanting realms of fiction to the profound depths of non-fiction. They immersed themselves in the rich tapestry of children's literature, scholarly tomes, and the vibrant hues of regional language works.

This illustrious excursion to the World Book Fair 2024 stands as a testament to our unwavering commitment to nurturing the minds of our students. Enriched by this immersive literary odyssey, our students' intellectual horizons have expanded, their curiosity ignited, and their cultural awareness heightened. Such transformative experiences epitomize our dedication to fostering holistic development and scholarly excellence among our esteemed cohort.

TRIP TO EOD

It is rightly said, "Sometimes the best therapy is to just take a break from the daily routine and have some fun!"

With this thought in mind, the students of classes Pre-School to V were taken for an excursion to EOD Adventure Park on 12 March 2024. This was a well deserved break soon after their Annual Examination. Lots of fun and laughter were witnessed wherein the students were seen enjoying all the adventurous activities.

Students had the opportunity to challenge themselves with exciting activities such as rope courses, tree -top climbing, archery, bowling, zip line etc. Their enjoyment had no bounds when they shook their legs on the DJ floor with their friends. Followed by a nutritious and scrumptious meal, the students experienced a wholesome day with their friends which made them feel revived and rejuvenated. It was indeed a day full of fun and frolic activities for our global citizens. The trip also taught them the moral values of sharing, caring and team spirit.
