DUSSEHRA

"As we celebrate Dussehra, may the spirit of togetherness and the victory of good times over tough times continue to be with us."
" BCS wishes Happy Dussehra to all !"
Our #proud global citizens of the Nursery & Primary wing celebrated the Dussehra festival.
The #young stars from #nursery and #primary sections came together to present a delightful skit portraying scenes from the #Ramleela. The skit encapsulated the epic journey of Lord Rama, his wife Sita, and his loyal devotee Hanuman. The tiny tots beautifully portrayed the characters and enacted the story with enthusiasm and innocence, leaving the audience in awe.
Our students showcased their dancing talents with vibrant and energetic performances.
The dance sequences highlighted the #victoryofgoodoverevil and conveyed the message of truth and righteousness.
Our Hon'ble Mann Sir and Respected Principal Ma'am Dr Reeta Hashia applauded the efforts and dedication of the students and teachers in preparing and executing these mesmerizing performances.
It was a valuable opportunity for our students to #connectwithourrichculturalheritage and gain a deeper understanding of the legendary tale of Lord Rama.

DIWALI

Let's infuse the celebrations with a sustainable mindset, making our festivities more vibrant and environmentally conscious.

A meticulously planned program was conducted by Brilliants'Convent School on 09 November 2023. The program included a beautiful dance performance by teachers, lightening of diyas followed by Diwali Puja and the tree Plantation symbolising the aim of Green Diwali.

This ritual of plantation was followed by Brilliantians on every occasion so this year we took a pledge to follow the same throughout our life fulfilling the aim of SDG GOALS.

The students and teachers of Grade I TO V celebrated Diwali with enthusiasm. Teachers engaged the Students in exciting activities like wall decoration crafts, rangoli making, making Swastik Diya holder, decorating earthen lamps and making wall hangings.

The entire reception was adorned with lights and decorations. Rangoli designs graced the floors and diyas illuminated every nook and corner, creating a mesmerizing evening ambiance.

Our Hon'ble Manager Sir Mr D.S Mann , Our Respected Principal ma'am Dr. Reeta Hashia, Venerated Assistant Manager, Mr Jatin Mann Sir delivered a heartfelt thanks to the BCS team for their unwavering support to make this festival a great success..

Diwali marks the triumph of light over darkness and good over evil, but it also is a day of service and generosity to our fellow man.

GURU NANAK JAYANTI

A sense of peace and tranquility filled the air as Brilliants' Convent celebrated Birth Anniversary of Guru Nanak Dev Ji, the founder of Sikhism today with great fervour and enthusiasm.

Five students of nursery wing came dressed up as "Panch Pyare"and "Kirtan" was performed by the students of classes IV-VI.

They paid tributes to Guru Nanak Dev ji by spreading his divine message of harmony, humility and equality through poems, speeches and orations.

After a melodious rendition of kirtan and prayers , "Prasad" was distributed to everyone. The spiritual ambience of the devotional chants was attended by all the students.

Our respected Principal ma'am , Dr Reeta Hashia, appreciated the efforts put in by the children and teachers and gave the message of universal brotherhood ,peace and harmony.

Little Steps towards Innovative Learning

ECO-VOLUTION

Brilliants' Convent held ' Ecovolution' an annual exhibition based on SDG goals on October 7, 2023. The event was organized by the students of classes VI-XII. The exhibition aimed to display the comprehensive and artistic capabilities of the students covering the subjects such as Social Science , Science , Computer, Robotics and Mathematics. The day began with lightening of ceremonial lamp and ribbon cutting by our respected Mann Sir and Jatin Sir.

To make the subject of history riveting, the students made exciting models under the guidance and supervision of teachers showcasing the Modern History - The Gandhi Period.

The topics under the complex subject of science were exhibited in a way that made the spectators engrossed in viewing the vibrant models of Haemodialysis, Piezoelectric shoes, River Cleaning Boat, Plastoscope, Plastic block-fold etc.

The Mathematical skills of students were at their best by displaying Symbolica, rap battle, yogometry and angle mania etc.

The day ended with Nukkad natak and a thanks note by our Principal ma'am.

To reinforce familiarity with computer science and artificial intelligence aiming at SDG goals students showcased a self made apps and games animated movies.

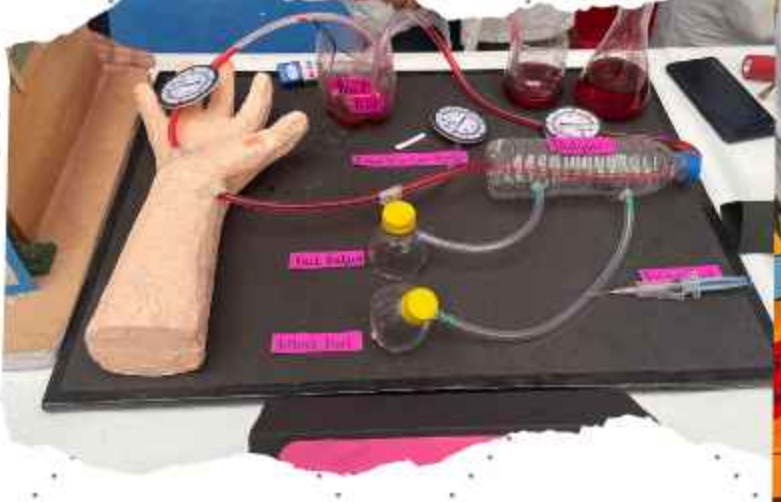

The exhibition witnessed great enthusiasm and blooming participation from children, who had the unique opportunity of exploring as well as expressing their creative scientific ideas in the form of activities, models and projects. The event gave a diverse hands on experience to children, wherein they could translate the theoretical scientific principles into the mode of application in the form of observable phenomena. This event led the children from the realms of theory into the arena of practicum.

Healthy Food for Wealthy Mood

Despite empirical evidence,there is a growing concern that junk food availability has contributed to childhood obesity.

Considering the need of the hour students of Pre School and Pre Primary at Brilliants' Convent school were introduced to the world of healthy food.

A role play was done by the teachers on 11 October 2023 wherein our little brilliantians were explained about the importance of balanced diet .

Students understood that 'Junk Food' like chocolates, icecream , chips can be harmful if eaten often ,they also learnt that healthy food like fruits , vegetables , nuts, cereals etc are necessary for their growth and mental development.

A sorting activity of colouring and pasting " Healthy and Junk food" was done by our little munchkins during the connect session. Their little inquiries about different food items had an incredible time exploring the diverse world of mouth watering food.

The hands-on activity helped them to understand the topic clearly through visual recognition.

FUN WITH SCIENCE

Science of today is the technology of tomorrow.

Magic of Science was witnessed at Brilliants' Convent on 12 Oct 2023 in Science Show organised by VMC for the students of class VII to IX and was facilitated by the professionals with the scientific experiments and reactions which induced curiosity amongst the students.

Following the norms of NEP, the event began with the game of shuffling the water-filled glasses and moving forward with the experiment of absorbing water in the glasses by diaper powder, the session proved to be quite engaging. The professionals further demonstrated the experiments of centrifugal and centripetal forces in action with the help of a rope, mobile phone and a water-filled glass.

The craze and amusement further escalated when the experiment of air pressure and its removal leading to the lifting and flying of the tissue paper roll was witnessed by the students. The showstopper of the event was the experiment of Butane and soap water which ignited fire not only on the hands of the professional but also in the hearts of the young sharp minds of BCS. The event concluded with a heartwarming speech and informative words of our Respected Principal ma'am, Dr. Reeta Hashia explaining the importance of science in our day to day lives and its presence in all spheres.

CAREER FAIR

An Interactive Educational Fair was hosted at Brilliant's Convent on 27 Oct 2023 for the students from classes X to XII. Representatives of various National Universities and other educational entities took part in this Educational Fair.

It aimed at aligning well with collective mission of empowering our global citizens to make well-informed decisions about their higher education and future careers.

There were numerous professionals from various renowned institutions: SRM University, IILM University, ATTRIA University, Manav Rachna University, Munjal University and many more They interacted with pupil and informed them about various processes regarding exams and admissions.

Representatives from individual institutions had one-on-one interactive sessions with the students.

The students were given the opportunity to explore career avenues and develop professional acumen.

The event proved to be an enriching experience for all who attended.

HEALTH CAMP CHECK-UP

With the aim of sustainability and wellness hand in hand Brilliants' Convent has organised a two days Health Check-up Camp for all the students on 30 and 31 Oct 2023.

The Medical Camp aimed to promote health awareness and provide essential medical services to students. It served as an opportunity for early detection of health issues and emphasised preventive care.

The school collaborated with Fortis Hospital and Clove Dental to organize the camp wherein the students underwent comprehensive check-up of eyesight and dental health .

Doctors and nurses provided personalized consultations, addressing individual health concerns.

Students appreciated the convenience of having medical services available within the school premise as they discovered previously undiagnosed health conditions and received timely advice.

Our respected principal ma'am Dr Reeta Hashia and our manager sir Mr DS Mann thanked the medical team and advised students to maintain physical health by opting various precautionary measures.

Overall, the event received positive feedback for its impact on health awareness.

AIIMS VISIT

To gain insights into the advancements and contributions of AIIMS in the healthcare sector, Brilliants'Convent got the opportunity to visit the All India Institute of Medical Sciences On 26 Sept.2023 on the auspicious occasion of AIIMS Institute Day. AIIMS Institute Day is an annual event celebrated to commemorate the establishment of AIIMS and highlight its achievements in the field of medical education, research, and patient care. The visit was organized to give students an opportunity to learn about the latest treatments, projects, and programs being carried out at one of India's premier medical institutions.

Upon reaching AIIMS, School students were warmly welcomed by the staff and organizers of the event.The sprawling campus was well-maintained and showcased a harmonious blend of modern infrastructure and green spaces. The tour allowed everyone to witness the state-of-the-art facilities and advanced technologies employed by AIIMS institute.

Throughout the day, AIIMS organized a series of presentations and workshops and various first aid activities (including CPR and injury technique)conducted by renowned doctors, researchers, and faculty members. The doctors had examined our children. Our young learners had undergone a eye checkup, dental checkup and physical examination. These sessions covered a wide range of topics, including breakthrough medical research, innovative treatment methods, and advancements in medical technology. The presentations were informative, engaging, and provided valuable insights into the cutting-edge work being carried out there.

One of the highlights was the opportunity to interact with the faculty members and students of AIIMS. Their passion for healthcare, dedication to their professions, and in-depth knowledge were truly inspiring. Students also had the chance to discuss various research projects, academic programs, and future prospects in the field of medicine with the dedicated doctors, scientists, and other healthcare professionals at the institute.

COLLAB WINTER WONDERLAND

Brilliants' Convent hosted its Annual Winter Carnival on 24 December 2023 with great ardour and exuberance.

The event began with the formal inauguration by our honourable Chief guest Sh. Ghanshyam Bansal IPS Financial Advisor NCLAT Delhi and Sh. Jatin Garg IRS Joint Commissioner International Tax Income Tax along with our honourable Manager Mr DS Mann, our revered Principal ma'am, Dr Reeta Hashia, and Assistant Managers of the school Mr Jatin Mann and Mr Harshit Mann with lightning of ceremonial lamp and presenting our chief guests with saplings and momento etc as a token of gratitude.

"Collab Winter Wonderland", as the name itself describes the theme of the carnival held this year that we have collaborated with various countries keeping in mind the SDG goals that would help us increasing productivity by giving an exposure to varied perspectives and effective and innovative problem solving ideas leading to one step ahead towards the aim -"One World, One Earth, One Family ".

The award ceremony further added spark to the day where the students were awarded for their sincere efforts during the previous academic session. The school honoured all its academic achievers for having attained a sterling result in their X & XII CBSE board exams 2022-23.

The carnival opened the door to opportunities for the young students, to indulge in different activities and learn several new things that are out of the box, building their creative skills.

The school ground pulsated with scintillating music and a lively crowd. It was a vibrant colourful day which saw the participation of parents, teachers and students alike. The stalls put up by students and teachers showcased their artistic and creative abilities, and were indeed a crowd puller. A very special segment catering to the interest of the children included a variety of rides and games. Cultural performances by school students were equally riveting. It was equally heartening to witness the school alumni who had turned up in large numbers to celebrate the historic occasion of their alma mater.

The zest and zeal exhibited by an enthusiastic crowd of visitors and participants made the Winter Carnival a memorable one!
