FUN ACTIVITIES FOR SUMMER VACATION 2021

HOLIDAYS HOMEWORK

"Hope is seeing light inspite of being surrounded by darkness".

Dear Young One

We somehow remained connected though missed seeing you face to face. You made the school going by joining and connecting online. When you participated, interacted, smiled, we all forgot that we haven't met you or it is the covid time keeping us isolated. You brought normalcy in our lives and also a lot of joys.

Summer Vacations are the most awaited holidays for students. It is the perfect time to relax and have fun with everyone. Students have a lot of time in these vacations and they can use this time in the best possible way to learn and explore new things and develop individual knowledge and skills.

Holiday homework is an attempt to channelize the creative energy of the children. Doing it in the right spirit with enthusiasm will make it a great learning experience. Make sure that your work is neat, presentable, original and conforms to the guidelines.

We are looking forward to reconnecting already.

Love and lots of it.

Special Note : -

- **Holidays Homework consist 10 marks for each subject .**
- **Take out the printout of worksheets on A-4 size sheets, and paste it in subject notebook.**
- **Complete your note book / book . (all the work done in class)**

Write the Missing Letter

Name:

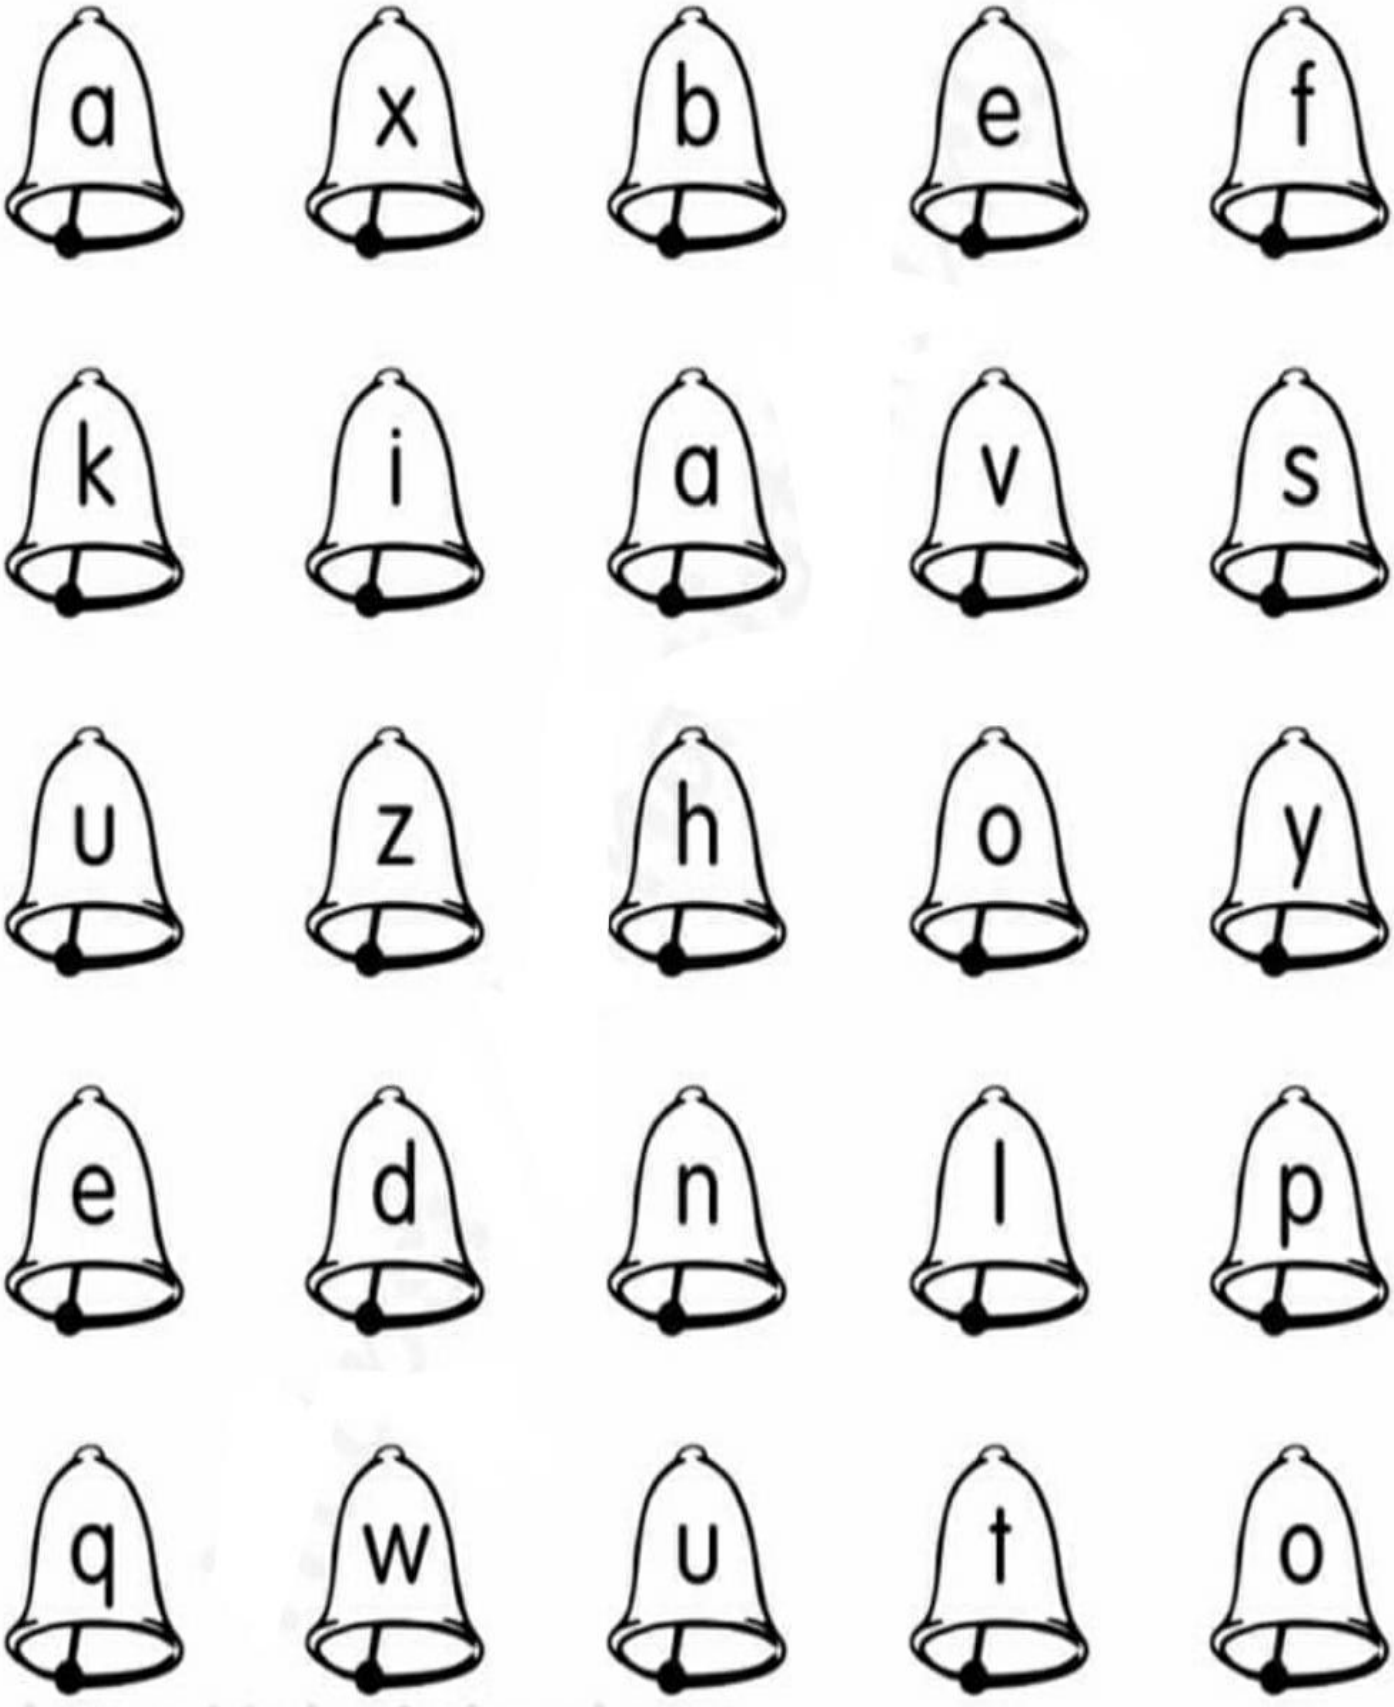

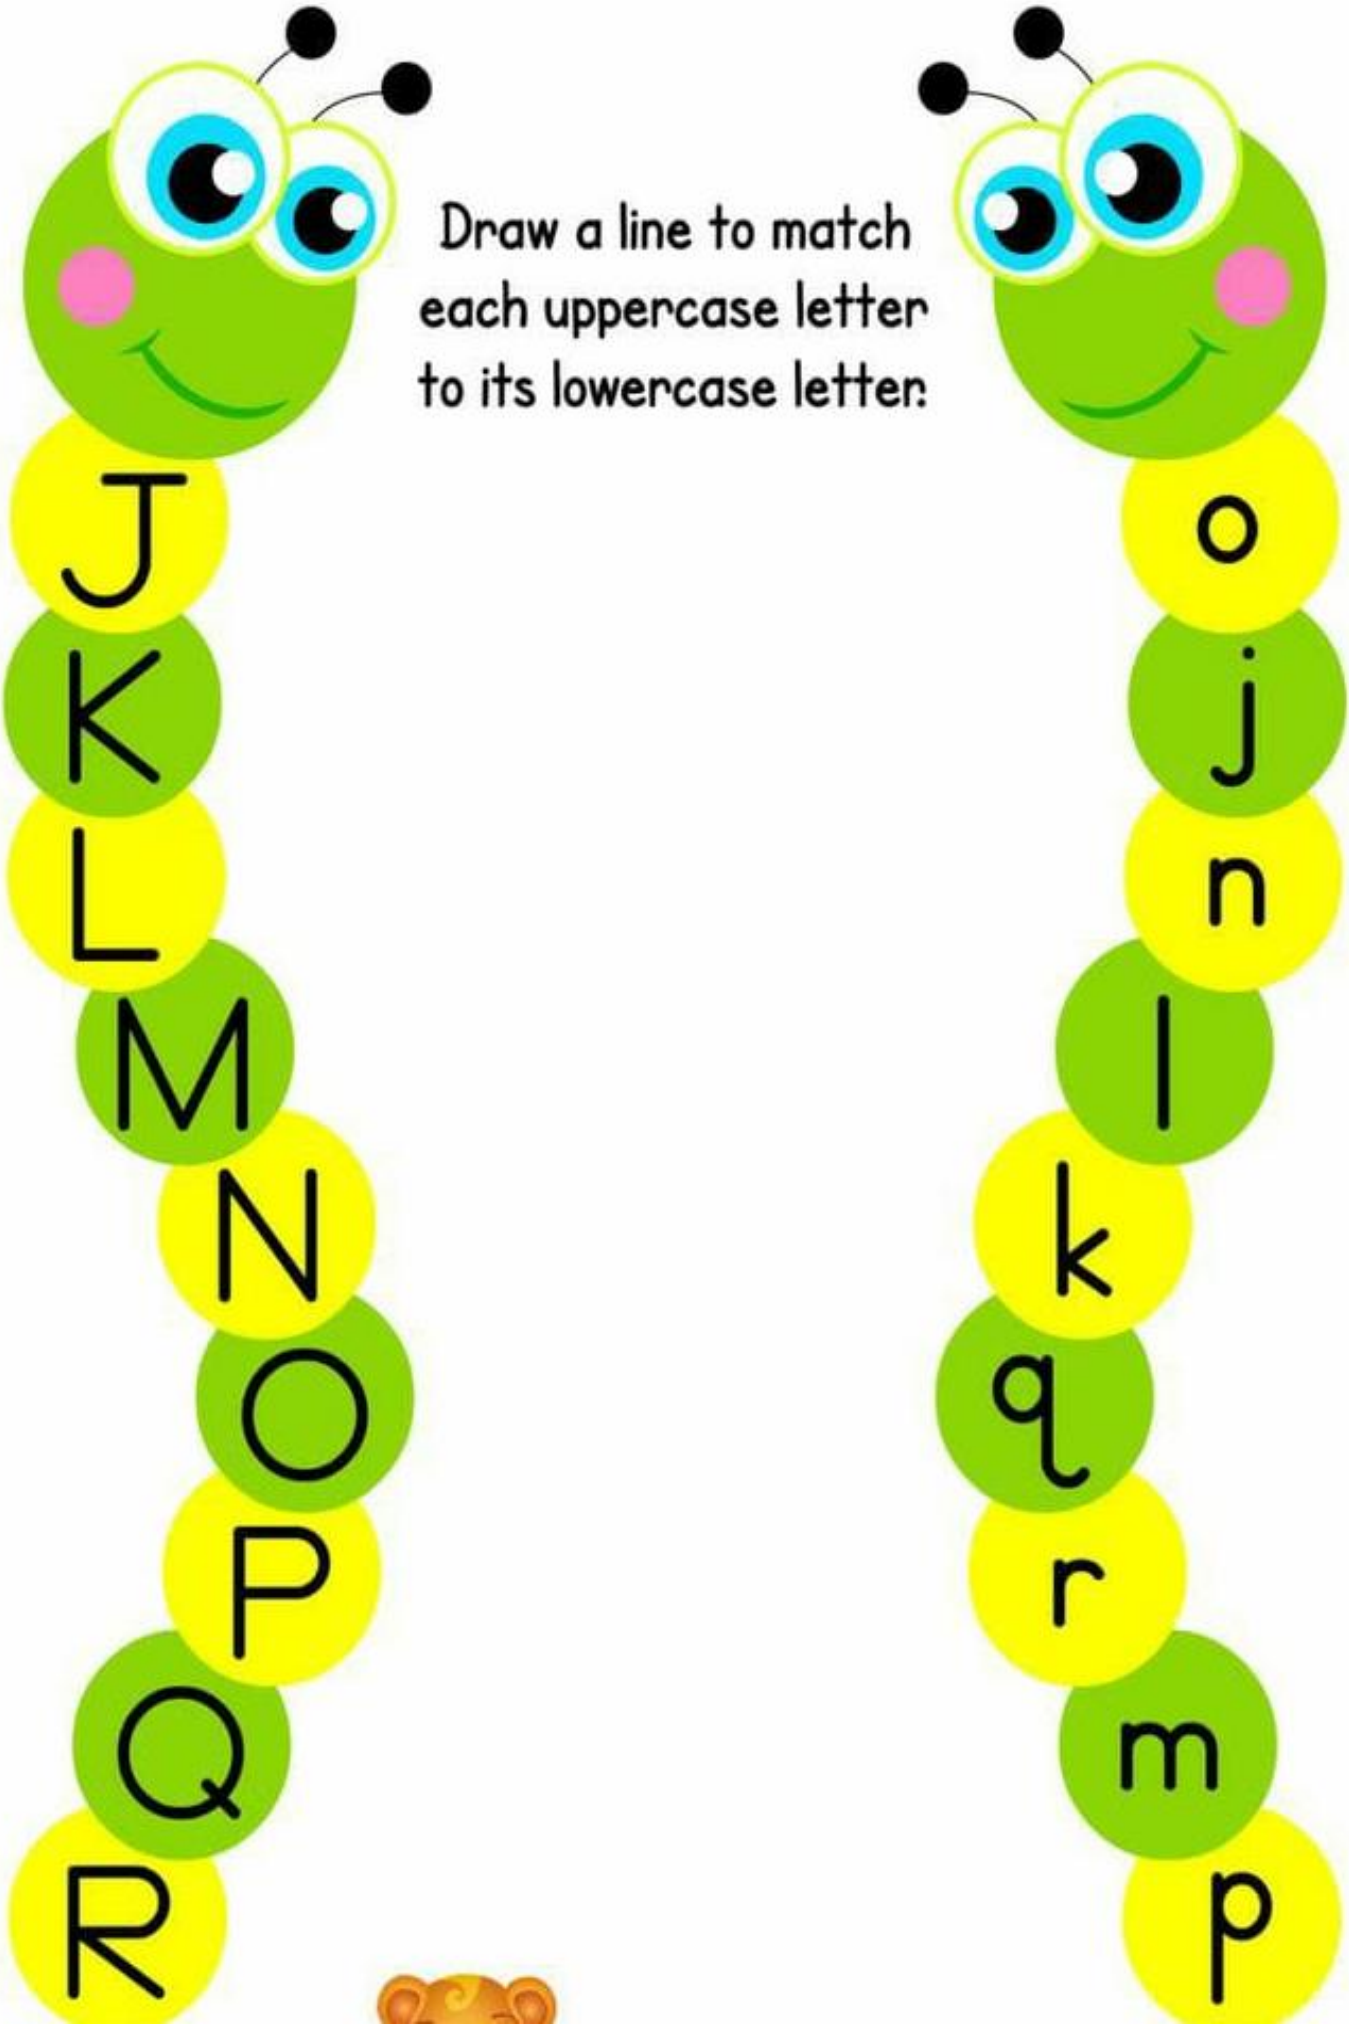

Consonants and Vowels

Q. Color the vowels blue. Color the consonants yellow.

Draw a line to match
each uppercase letter
to its lowercase letter.

Short Vowels: a, e, i, o, u

Circle the correct word for each picture.

net cat

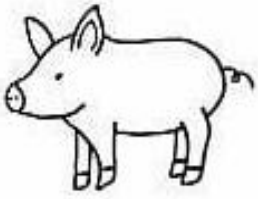

lip log

pen pin

jog jam

pat pig

bug bag

Where is my tail?

POINTS TO BE REMEMBERED

❖ **Preventing the spread of <u>germs</u> will help protect you from COVID-19. Take these steps:**

- Wash your hands well and often. Wash for at least 20 seconds with soap and water or use hand sanitizer with at least 60% alcohol.
- Try not to touch your eyes, nose, and mouth, especially if you haven't washed your hands.
- Regularly clean and disinfect surfaces and objects that the children touch a lot.
- Avoid contact with people who are sick. If a child becomes sick while in your care, keep them separate from the other children.
- Cover your mouth and nose with a tissue if you sneeze or cough, then throw it out. If you don't have a tissue, sneeze or cough into your elbow, not your hands.

❖ **Maintain Physical distance**

- Follow distancing norms in all public places Keep minimum distance. of 2 Gaj (6 feet). Especially, when you go out to shop for essential products to the vegetable or fruit market, dairy store, pharmacy, hospital, etc. Also follow distancing norms when in a room with other people. If the other person is infected, their physical contact may increase the risk of transmission.
- Wear reusable hand- made face-cover or mask, at all times.
