HOLIDAYS HOMEWORK – 2021

"Health is the greatest gift, contentment the greatest wealth, faithfulness the best relationship"
- Buddha

Dear Student, Summer Vacation is the best and the most fruitful time for learning and nurturing creativity. Keeping this objective in mind we have planned diverse and exciting activities that will enhance your knowledge and boost your creativity.

- **"Knowledge is Power". Therefore read lots of books to cultivate the reading habit and develop your vocabulary, language skills, increase your attention span and improve your spellings.**
- **Get up early in the morning, go for a nature walk and feel the fresh air. Spend quality time with your elders and share your thoughts and ideas with them.**
- **Eat healthy food and drink lots of water/liquid during summers.**
- **Integrating curriculum helps students deepen their understanding of the subject matter and comprehend relationship between different areas of study.**

Note: Holiday Homework should be well labelled and submitted in the first week after summer vacations in a Pdf format.
