CLASS – II

FUN ACTIVITIES FOR SUMMER VACATION 2021

HOLIDAYS HOMEWORK

"Keep the child's brain active over break without them knowing they're doing homework."

Dear Parents

The much awaited summer break is here! This is the time that children enjoy the most. Along with all the fun activities that they will do, we would also like to keep them productively occupied with some academic work. Keeping in mind the current situation in the country, we have given assignments which will not require any materials to be bought by you. A few worksheets of each subject have been prepared to help your child revise the concepts done in the online classes. You are requested to take out printouts of the worksheets.

Please ensure that your child spends some time everyday to complete these worksheets. Let them first attempt it themselves. Assist them only when required. They will surely enjoy doing them!

All the worksheets should be kept systematically (subject wise) in a folder. This will be helpful while revising the concepts later. The date on which the worksheet is done should be mentioned.

Wising all the children "Happy Holidays!"

STAY SAFE AND HAPPY

Special Note: -

- **Holidays Homework consist of 10 marks for each subject.**
- Take out the printout of worksheets on A-4 size sheets and paste it in subject notebook.
- Complete your notebook / book. (all the work done during the online classes)

English

POINTS TO BE REMEMBERED

❖ **Preventing the spread of <u>germs</u> will help protect you from COVID-19. Take these steps:**

- Wash your hands well and often. Wash for at least 20 seconds with soap and water or use hand sanitizer with at least 60% alcohol.
- Try not to touch your eyes, nose, and mouth, especially if you haven't washed your hands.
- Regularly clean and disinfect surfaces and objects that the children touch a lot.
- Avoid contact with people who are sick. If a child becomes sick while in your care, keep them separate from the other children.
- Cover your mouth and nose with a tissue if you sneeze or cough, then throw it out. If you don't have a tissue, sneeze or cough into your elbow, not your hands.

❖ **Maintain Physical distance**

- Follow distancing norms in all public places Keep minimum distance. of 2 Gaj (6 feet). Especially, when you go out to shop for essential products to the vegetable or fruit market, dairy store, pharmacy, hospital, etc. Also follow distancing norms when in a room with other people. If the other person is infected, their physical contact may increase the risk of transmission.
- Wear reusable hand- made face-cover or mask, at all times.
