VISION

"While our Education is directed towards the development of the individuals; we too are primarily concerned for instilling Gospel values in those we educate and to turn them into responsible citizens of our country who will be ready to take part in social, political and cultural life with selflessness and zeal. Our special focus will be towards the formation of the committed personalities who will be filled with a sense of mission towards their country as well as to their world. We strive to implement the national aims and objectives of education among our learners through the goals that our school has designed and which must be realized and propagated by all our staff members as well as our students".
