Dear Children

Its vacation time again! During the long hot afternoon beat the heat by staying indoors and doing some interesting and innovative activities.

A book is a child's best friend. Develop a love for reading. Read any 3 story books by yourself and describe your favourite story with an illustration in your own words in 8-10 lines on an A4 size sheet.

Imagination is the beginning of creation. ***"The greatest gift I ever had, came from God. I call him dad."*** Design a card for Father's Day to show your gratitude and love.

A healthy mind resides in a healthy body. Start your day early and set a routine even during vacations. Learn to take care of personal hygiene by inculcating healthy habits like brushing teeth twice daily, washing hands at regular intervals, trimming nails and bathing daily.

Experience and value nature. Go for walks with your family. In addition, you can play games, go cycling, swimming, skating to keep yourself fit and healthy while you enjoy.

Happiness is when you care, help and share. Do help around the house doing small jobs like laying table, making beds, filling water bottles, watering plants, etc. Be polite, respectful and obedient at all times.

Encourage self-responsibility. Prepare your favourite mocktail / dish (without fire) yourself.

Conserve nature. Feed the birds with food and water. Plant a tree. Minimize the wastage of resources like water,fuel and electricity.

Learn about our heritage. Go for an educational visit to places like National Science Museum, Rail Museum, Bal Bhawan, Crafts Museum and HOHO Bus Ride.

Tête-à-Tête. Share your thoughts with your parents about the books you read, games you like to play. Learn from their experiences. Think and tell 5 words that describe you.

Good manners is the key. Respect your parents, grandparents and all elders. Practice the magic words - Please, Sorry, Excuse Me and Thank You every day. Greet everybody with a smile.

Holiday homework is an attempt to channelize the creative energy of the children. Doing it in the right spirit with enthusiasm will make it a great learning experience. Make sure that your work is neat, presentable, original and conforms to the guidelines.
