FUN ACTIVITIES FOR SUMMER VACATION 2020

HOLIDAYS HOMEWORK -

"Keep the child's brain active over break without them knowing they're doing homework"

No amount of study is worthwhile without proper recapitulation. With that in mind, a series of home based activities are devised for students in the form of worksheets, assignment, projects, so that along with education at school there is reiteration through homework. A proper homework schedule is provided that ensures that the child is not over burdened at any stage.

Children should be encouraged to sit for an hour at a time to concentrate on a given task on regular basis. This will keep them engaged throughout the holidays as well as keep the enthusiasm alive for completing the work. The work is to be done neatly and submitted to the teachers after the vacation.

Holiday homework is an attempt to channelize the creative energy of the children. Doing it in the right spirit with enthusiasm will make it a great learning experience. Make sure that your work is neat, presentable, original and conforms to the guidelines.

Special Note : -

- Holidays Homework consist 10 marks for each subject .
- Take out the printout of worksheets on A-4 size sheets, and paste it in subject notebook.
- Complete your note book / book . (all the work done during the month March , April & May)
- Note book should be properly covered.
