HOLIDAY HOMEWORK

CLASS II Lily

(2025-26)

HOLIDAY HOMEWORK

Dear Students and Parents,

The fun-filled and eagerly awaited summer holidays are finally knocking at the door. We hope that you will have endless happy and fun moments galore with your family and friends.

We have designed the holiday homework packed with explorations, knowledge, research, and creativity that will help each one of you to blossom and unleash the hidden genius in you.

So, with a twinkle in your eyes and a smile on your face, perform each activity while maintaining a healthy balance between your work and play.

Let your imagination take flight as you delve into exciting activities designed to spark curiosity and foster creativity. Unleash your inner scientist, artist, or historian – the possibilities are endless!
Remember, learning knows no boundaries. So, whether you're traveling to far -off lands or exploring the wonders of your own backyard, carry your curiosity with you and let it guide your summer adventures.

General Instructions for Students:

- Read and revise the course covered in the classes.
- **Complete your pending work. (If any).**
- **A few projects/assignments have been designed to help students express themselves and explore their creativity. Original drawings/illustrations and creative use of material will be appreciated.**
- Improve your handwriting by practicing daily.
- All work presented by the students should be done by himself/herself. Parents are requested only to guide their ward. They will surely enjoy doing it!
- **All the projects/assignments should be kept systematically (subject -wise) in a single folder.**
- **Holiday Homework must be submitted by 10 July 2025.**

Have a fantastic summer break
filled with discovery,
laughter, and endless learning!
Wishing you a memorable vacation!

Holidays are the best time of the year.

Time to shout, clap and cheer!!

Jump about and have lots of fun,

Enjoy treats in tons and tons!!

Plan a trip, go around and explore,

Be it mountains or the seashore!!

Playing or cycling, whatever you do,

Museums and parks can be visited too!!

Try cool recipes with your parents and grandparents,

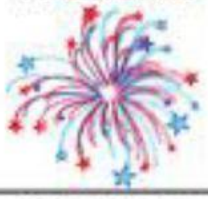

DIY some interesting projects and experiments!!

Be helpful and kind to all each day,

You are BRILLIANT - A Winner all the way!!

SDG ACTIVITY

Theme: Conference of state parties to the CRPD(COSP 17)

A mother's love is the sun for growing, the moon for dreaming, the stars for guiding the way. Create a token of love for your mother with help of Sea Shells.

Andaman and Nicobar Islands

The islands in the Andaman are known for their charming beaches that provide you with views of turquoise water and white sand.

MATHEMATICS

Keeping the beach theme in mind, the following activity is planned for our students.

- **Students will prepare one mathematical dice game reflecting the beach theme on an A-3 size sheet.**

ENGLISH

“The more you read, the more things you will know. The more that you learn, the more places you’ll go.”

Engaging children as active learners involves providing opportunities for hands-on exploration, inquiry-based learning, and collaborative activities.

Students are required to write about any 3 Adventurous activities of Andaman and Nicobar Islands and find out 10 nouns, categorize them into proper and common nouns in a creative manner (Chart paper, play card, flashcards, etc.)
