HOLIDAY HOMEWORK (2024)

Dear Students and Parents,

As the summer sun beckons and vacations begin, we want to ensure that the learning journey continues beyond the classroom. Here's your passport to an enriching and enjoyable break: your summer vacation homework! Discover, explore, and create with a blend of fun and learning. From reading adventures to mathematical explorations, and creative projects, there's something for every explorer.

Let your imagination take flight as you delve into exciting activities designed to spark curiosity and foster creativity. Unleash your inner scientist, artist, or historian – the possibilities are endless!
Remember, learning knows no boundaries. So, whether you're traveling to far-off lands or exploring the wonders of your own backyard, carry your curiosity with you and let it guide your summer adventures.

General Instructions for Students:

- Read and Revise the Course covered in the classes.
- **Complete your pending work. (If any).**
- **A few projects/assignments have been designed to help students to express themselves and explore their creativity. Original drawings / illustrations and creative use of material will be appreciated.**
- Improve your handwriting by practicing daily.
- Spend some time doing yoga, exercise, meditation etc for mental health and physical fitness.
- All work presented by the students should be done by himself/herself. Parents are requested to guide their ward only. They will surely enjoy doing them!
- **All the projects/assignments should be kept systematically (subject wise) in a single folder.**
- **Holiday Homework consists of 10 marks for each subject.**
- **Holiday Homework must be submitted by 10 July 2024.**

Have a fantastic summer break filled with discovery, laughter, and endless learning!
Wishing you a memorable vacation !
