HOLIDAYS HOMEWORK (2023)

Dear Parents

Summertime is always the best of what might be. Summer Vacation is a time for fun and frolic and an opportunity to bring you some constructive activities to enhance your learning process. The most awaited vacation is here!

At BCS, our goal is to provide continuous educational opportunities and practice for students. We have designed work during the holidays for our students keeping in mind the present situation. We believe, together, we will write the **BEST** story for our children! "Each child is an individual and must be allowed to bloom, express his feelings and ideas".

Spend time listening to your child, sharing household chores, playing, laughing, exercising, relaxing and above all praying to the power you believe in.
